Re: Request for Extension of Time for Comments upon Docket No. NHTSA-2003-16356, Petition for Decision that Nonconforming 2002 and 2003 Ferrari 575 Passenger Cars Are Eligible for Importation

Dear Mr. Sachs:

Through its undersigned counsel, Ferrari North America, Inc. ("FNA") hereby requests a two-week extension of the comment period in the above-referenced proceeding – up to and including December 12, 2003 – in order to afford FNA an opportunity to complete its analysis and file comments in the proceeding. The comment period currently is scheduled to close on November 28, 2003. *See* 68 Fed. Reg. 61549 (October 28, 2003).

FNA requests this brief extension of the comment period because the employee of Ferrari SpA who has, among other duties, principal responsibility for the technical analysis of importation eligibility petitions has been traveling on company business and therefore has not yet provided FNA with the information needed by FNA to prepare comments in the proceeding.

A two-week extension of the comment period will not prejudice the parties or unduly delay the proceeding.

For the foregoing reason, FNA respectfully requests a two-week extension of the comment period in the above-referenced proceeding, up to and including December 12, 2003.

Sincerely,

Adam C. Sloane
